

## **The Redmond Church Community In-house Communications Board**

**Do you have a need or opportunity that you would like to make know to our people? You can place your posting in the tray in the church office counter. Postings on the board are exclusively from and for members and friends of the Redmond Presbyterian church congregation. Please submit your written communication to the church office if you wish to post something. (The communications Board is monitored weekly. Typically postings are removed after three weeks or when the transaction has been fulfilled)**
