RPC will once again host the *FoodBox Program*, in conjunction with *Redmond Nourishing Networks*
Last year, *Redmond Nourishing Networks* began a program to provide supplemental food for families whose children receive free and reduced lunch during long school breaks. RPC was the host for people dropping off and picking up food. This year, we will host the program once again. In addition, we are adding 2 more schools so we will need lots more food. So, in addition, we would love to have RPC families participate in donating food as well. Our first day will be **Tuesday Nov. 20th**. Food drop offs begin @ 7am.
