**RPC will once again host the FoodBox Program, in conjunction with Redmond Nourishing Networks** for Thanksgiving break. They will be at RPC on Tuesday. The Food Box Program is a way to help families whose children receive free and reduced lunches at school. During break this food is not available, leaving families with a nutritional shortfall. RNN collects food for families and distributes it two days before school break, so families are assured of having extra food while their children are at home. Today, at the Alternative Gift Mart, there will be a table with information on how you can get involved. There is a sign up sheet and a grocery list of needed food items. We would love to see as many families and fellowship groups as possible get involved in helping a Redmond family. Any questions, email Sandee at [sandee.palmquist@comcast.net](mailto:sandee.palmquist@comcast.net)

**RPC BIRTHDAYS THIS WEEK** Redmond Presbyterian Church would like to wish the following a happy birthday and a year filled with blessings: November 19<sup>th</sup> – Sophia Ashenbrenner and Rev.
