New Fall Sermon Series: The Gospel of Matthew – Hearts Like Jesus

We are in the midst of a global pandemic and physical health remains at the forefront of our thinking. How do we remain physically strong? How do we keep ourselves safe? How do we protect others we love? More and more, our spiritual health could fall by the wayside if we do not invest in new ways of conditioning our hearts and minds to follow Jesus Christ. Join us this fall as we begin a 9-month study of the Gospel of Matthew beginning with scriptures that challenge us to explore the heart of God. In chapters 4-7, we will seek to create a new rhythm of life that beats in sync with God's heart and deepens our connection with the love of Jesus Christ.

Thank you all for your support of our Food Box Program over the last 5 1/2 months.

Thank you all for your support of our Food Box Program during 'the summer of quarantine'. With your help we have been able to provide food for our neighbors in need 6 times! With each donation we have helped between 130 and 140 families! **But our last donation fed 170 families! The need is growing.**

We are not sure what nutrition plans will look like when the LWSD gets back to school, since they have now announced that they will be virtual for at least the fall. We want to be prepared to respond in any way we might be needed. The new link reflects our current

finances. We spend the money you donate on our families, exclusively. Since we are an all-volunteer organization, we spend all of our donations feeding people.

We are hoping that you might consider donating once again and of course **you can still send a check to payable to Redmond Presbyterian Church and on the memo line, write "Food Box donation"**.

Each time you donate, the money you give helps with food for the each month's donation day. Any funds leftover will provide us with money to plan further into the school year.

If you have friends and family who are interested in donating, please share our link with them as well. If you have friends and family who are interested in donating, please share our link with them as well. **The August food box distribution day took place on Thursday Aug. 13. And the good news is that we have received a grant and will be able to put together another food box distribution day in October instead of waiting until Thanksgiving!**

RPC BIRTHDAYS THIS WEEK ~ Redmond Presbyterian Church would like to wish the following a happy birthday and a year filled with many blessings: September 4th – Benjamin Smith and September 5th – Kevin Mayer.

Donate blood:

If you are healthy and you are able to donate blood, this is an important need in the midst of this crisis. You can follow the link here [Bloodworks Northwest](http://BloodworksNorthwest.org). This is just one way some of us can help if we are able.
